

Policy Statement - Provider Access Arrangements 2021 - 2023

Kingsbury Green Academy uses the Gatsby Benchmarks as a guide to plan our Pathways and Enrichment programme. As part of our commitment to informing our students of the full range of learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak to students. Kingsbury Green Academy also proactively seeks to build relationships with these partners as we plan our Pathways and Enrichment activity throughout the school year to ensure that providers have multiple opportunities to speak to students and their parents across years 7 to 13, to offer information on vocational, technical and apprenticeship qualifications and pathways.

Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.
