

Uniform Policy

At Kingsbury Green Academy, we place an emphasis on pride in our community. A visible indication of this is in the standard of students' uniform. We feel that a uniform instils pride, a sense of identity and support for the ethos of Kingsbury Green Academy. Students must wear the correct uniform at all times, as outlined below, and are expected to maintain high standards of behaviour when wearing their uniform, including when they are travelling to and from school. The following required items of clothing can only be purchased online from our official uniform supplier Uniform Direct www.uniformdirect.com

The "Not acceptable" images are for advice and are not an exhaustive list. The school's decision on uniform is final.
