ASCEND
LEARNING TRUST

Welcome from Nicola Bull

Thank you for taking the time to read about Kingsbury Green Academy, or KGA, as we are known by our local community.

Kingsbury Green Academy is a proud member of the Ascend Learning Trust (ALT). Our school motto is 'Achieving Excellence Together' and this reflects the Trust's commitment of 'Together we belong, believe, become. We passionately believe in helping young people to identify their own personal goals, and then, providing them with the means to achieve those goals.

Graded as 'Good' by Ofsted in every judgement category, Kingsbury Green Academy is recognised as the number one secondary school of choice in Calne and the local area. We believe in the power of education to change young people's lives and we aim to be inclusive and cater for the needs of all our students.

We achieve this with inspirational teaching, excellent pastoral care and a wide range of extra-curricular activities that will enable our students to become well-rounded, confident young people who have an impact on the world.

As Headteacher, I know that a happy child is a successful student. Our curriculum, pastoral care, programme of enrichment activities, and approach to teaching and learning are all designed to excite and enthuse the young people in our care. We want Kingsbury Green Academy students to be proud of their school and to look forward to coming to school every day.

Nicola Bull | Headteacher

Welcome from Jane Coley

Welcome to Ascend Learning Trust, where we pride ourselves on our core motto: 'Together we Belong, Believe, Become'

As a community of schools we strive to achieve this through our relentless commitment to our values of 'Compassion, Aspiration, Respect, Dedication and Integrity' for all of our students, with the potential of every individual within our community valued.

As a result of this ambition, we strive to ensure that students receive an incredibly high standard of academic and pastoral care to enable them to leave school with the very best platform for their future. The schools within Ascend Learning Trust are a family, and as such they support each other to continuously improve, providing strength to each other.

As a mother of 3 school age children at both primary and secondary level, I know how important young people's school experience is and it is a privilege to lead an organisation whose purpose it is to support this. As CEO of Ascend Learning Trust I am fully committed, along with all of our staff to ensuring that your child's education is the very best that it can be.

Jane Coley | CEO Ascend Learning Trust
