KINGSBURY GREEN ACADEMY ENRICHMENT

PROGRAMME 2026-27

At Kingsbury Green Academy, we believe learning extends far beyond the classroom. Our extensive enrichment programme provides students with opportunities to develop new skills, explore interests, build confidence, and make lasting friendships.

All students in KS3/Year 10 are expected to sign up and take part in at least one club each week. Students in Year 11 have Period 6 lessons which take priority over clubs and activities but can still participate in activities that don't clash with their lessons

Have a read through this brochure then use this link to sign up

Term 1 & 2 Kingsbury Green Academy Enrichment Options – Fill out form
